

# Frogs Frolic

You need  a dice  a different-coloured counter for each player  
 2-4 classmates

## Game

### Race to 50!

- Each player puts their counter on **Start**.
- Take turns to throw the dice.
- Choose whether to add or subtract the number you've thrown to the number that your counter is on. If you add, you move forwards. If you subtract, you go backwards.
- Move your counter to the new number.
- The first person to get to 50 is the winner.
