# Snakes in the Grass

You need ☑ a set of dominoes   ☑ a classmate

Activity

This domino snake has 21 dots.
The number story for this snake is
3 + 2 + 4 + 6 + 1 + 5 = 21.

1. These domino snakes are crawling in the long grass.
The last domino for each snake is partly hidden in the grass.
Copy the last domino for each snake into your book.
Fill in the missing patterns of dots or parts of patterns of dots for
these dominoes.
Discuss with a classmate how you found your answers.

a. 24-dot snake   **b.** 23-dot snake

c. 25-dot snake   **d.** 21-dot snake

e. 27-dot snake   **f.** 25-dot snake

2. How many different domino snakes can you make that have 20 dots?
Draw each snake in your book and write the number story for that snake.
