

Travel to School: Survey

We are investigating how we travel to school and want to compare that with how our parents or caregivers travelled to school. Please answer the two survey questions to help with our investigation.

1. What was the main way you usually travelled to school when you were my age?

Select one of:

☐ walk

☐ bus

☐ bike

☐ scooter

☐ car

☐ train

☐ boat

☐ other, please specify

2. How long did it take you to travel to school (your best guess) in minutes?
