Declaration

In making this application, we certify that the information given is true and accurate, and that we have no objections to the use of this information for the purpose of this application.

We understand that if this application is successful, the teacher listed above will enroll and complete the university numeracy paper listed. If the teacher believes that they have issues successfully completing the paper, we understand that the teacher will immediately contact the Ministry of Education to discuss their options.

We understand that if this application is successful, half of the tuition fee will be paid to the school by the Ministry of Education, with the other half paid for by the Board of Trustees, who has approved the necessary expenditure. We understand the Ministry of Education contribution will be sent to the Board in full upon receipt of confirmation of acceptance into the paper listed and confirmation of the tuition fee.

We understand that the school may need to pay the full tuition fee before the Ministry of Education's contribution has arrived at the school.

We agree to support the teacher and may allow some of the teacher's CRT, classroom release time, to be used for study purposes. We understand that no release time or leave provision is part of this scheme.

We understand that if this application is successful, the teacher will send a copy of the results (grade achieved), to the Ministry of Education upon completion of the paper. The Ministry of Education reserves the right to invoice the school for the Ministry's contribution if the results are not received. Feedback and comments about the scheme would also be welcome.

We agree to participate in any evaluation of the scheme.

We accept that the decision of the selection panel is final.
