

Developed by _____

Our idea for raising funds for our construction project.

Required resources	Cost of this resource (if known/relevant)

If appropriate, use this:

Item E.g. BBQ sausage	Cost/unit E.g. \$0.75	Sale price/unit E.g. \$1.50	Profit Difference between cost price and sale price E.g. \$0.75	Target sales How many you hope to sell E.g. 100	Total expected profit Profit x target sales E.g. 0.75 x 100 = \$75

Suggested action plan.
