

# Back to the Present

You need  a photocopy of the time-point table copymaster  a classmate

## Activity

- Before you can put the *Space Waka* into the hangar, you must complete the captain's log for all your journeys. The *Space Waka* always returned to the present in New Zealand before going out on another journey. You gain 1 time point for every 100 years travelled.

Your journey on the *Space Waka* is nearly over!

Destination	Years back or forward	Total years travelled there and back	Time points
Ancient Rome	2 000	4 000	40
