

Dealing with Dominoes

You need ✓ scissors ✓ 2 or 3 classmates
 ✓ a photocopy of the Supermarket Dominoes

Activity

Corey, Ellery, and Matthew are playing a game of Supermarket Dominoes.

They share out all the domino cards and turn them face up.

Corey goes first and puts a domino with  in the centre.

Then it's Matthew's turn.

He joins a domino with  to Corey's first domino.

1. What is the rule for joining new dominoes to the domino chain?
2. It is Ellery's turn.
Here are the dominoes she has. ⇨
Which domino should she play next?

Game

Now play your own game of Supermarket Dominoes with two or three classmates.
