Megamaze

You need ☑ a ruler with centimetres marked on it
☑ a photocopy of the maze

Activity

Crusty the Crayfish is lost.
On your photocopy of the maze, draw the path Crusty
will take to get home by the shortest route.
Then, using your ruler and the compass directions shown
here, write down the instructions you would give Crusty.
The first instruction is written down for you here:

3 centimetres east

N
W — E
S

How do
I get home
from here?

Start X......
