## Mind Boggle

## You need $\boldsymbol{\square}$ attribute blocks $\quad \boldsymbol{\nabla}$ a photocopy of the table

## Activity One

Amy, Priya, and Ralph have each taken a different attribute block from the set.

On the photocopy of the table below, work out which block each person has. Use the clues on the table as well as the following clues:

|  | Red | Yellow | Blue | $\square$ | $\square$ | $\triangle$ | $\bigcirc$ | $\square$ | Thin | Thick | Small | Big |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |
| Amy |  |  |  |  |  |  |  |  |  |  |  |  |
| Priya |  |  |  |  |  |  |  |  |  |  |  |  |
| Ralph |  |  |  |  |  |  |  |  |  |  |  |  |

## Activity Two

Red circular blocks go in the coloured part of this diagram.

What blocks go in the numbered parts of this diagram?
