

Photocopy onto card and laminate. Cut out each snake individually.  
Place stickers over the given number to change it. Extend the activity to include pages from the thousands book.

The grid consists of 100 squares arranged in a snake pattern. The numbers and question marks are placed as follows:

?	25				49
					?
	?			?	
			64		
?					?
			86		
?		?		?	
			?		57
		83			48
