

For each problem, work out the answer using people materials if you need.  
**Explain how you worked out your answer.**

1. Make 184 then add 20

2. Make 309 then add 4

3. Make 470 then add 30

4. Make 602 then add 9

5. Make 588 then add 12

6. Make 299 then add 5

7. Make 186 then add 30

8. Make 999 then add 6

9. Make up three tricky 'add on' problems for someone else
