

# Spelling troubles

Tony wants to become a better speller so he keeps a record of the time he spends learning his words each night.

He also asks his mum to test him each day and he writes the number of words he gets correct.

**Look closely at Tony's data.**

What do they tell you about Tony's homework patterns?

Write the advice you would give him so he gets all words correct.

Tony's Test Scores	
Days	Correct words
Monday	0
Tuesday	0
Wednesday	0
Thursday	0
Friday	4
Monday	0
Tuesday	2
Wednesday	3
Thursday	4
Friday	5
