

Starry-eyed

You need a calculator

Activity

In each of these starfish patterns, each straight line must add up to the same total.

Draw these patterns into your book and put the numbers in the empty circles so that all straight lines add to the same total.

a.

Line total is 24

Missing numbers: 1, 2, 3, 4

b.

Line total is 30

Missing numbers: 1, 3, 4, 5, 7

c.

Line total is 40

Missing numbers: 2, 3, 4, 5, 6

d.

Make up your own starfish number pattern.
