

Who Am I?

You need a classmate

Activity One

Tamsin has to solve all the mystery numbers to win a prize.

Help her to solve the mystery numbers below.

1. Add 7 to me to make 12.
2. Halve me to make 15.
3. Take 6 away from me to leave 10.
4. Add me to 29 to make 36.
5. I am 2 more than half of 20.
6. Add 3 to me and then double the sum to make 18.
7. A quarter of 12 added to me makes 30.

Activity Two

Make up your own mystery numbers.

Give them to a classmate to solve.

Are you checking that you've got the right number?
