**The purpose of this task is to help your child to:**

- better understand aspects of time including seasons, calendars and the passage of time

Be sure to talk with your child about the pictures that show rural life in New Zealand. Discuss the sorts of jobs that need to be done around your home.

You may like to make together a weekly, monthly or seasonal calendar.

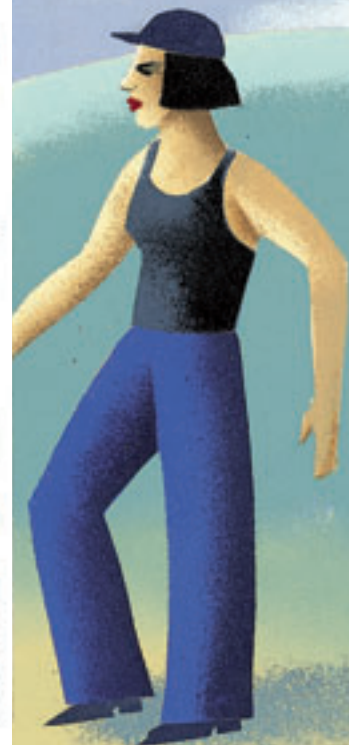

# Sorting Seasons

You need  a calendar (optional)

## Activity One

Fred and Freda are farmers. They are planning their year and working out which season they will do each of these jobs in:

Fred and Freda make up a calendar like this:

December/January/February	March/April/May	June/July/August	September/October/November
Summer	Autumn	Winter	Spring

Draw this calendar into your books and put each job where you think it should go on the calendar.

## Activity Two

1. What are the important things that need doing round your home during the year?
2. Make up a season calendar for the jobs round your home.
