

Task notes | How heavy is That? Pēhea nei te Taumaha?

Y4

➤ Notes for parents. Activity next page.

The purpose of this task is to help your child to:

- correctly read the scale (marks in gram and kilogram measures) on a set of kitchen scales
- use kitchen scales to accurately measure mass (weight)
- see a purpose for making accurate measures

Make available to your child:

- a set of accurate kitchen scales
- a variety of grocery products that have their weight written on their packaging – they should be complete with contents

You may like to print off the task sheet on the following page or create your own.

Together read the kitchen scales and ensure that your child is familiar with the markings on the scale.
