

## Play Dough Recipe

### **Ingredients**

2 cups of flour  
1 cup of salt  
1 tablespoon of cooking oil  
2 tablespoons of cream of tartar  
2 cups of water  
1 teaspoon of food colouring

### **Instructions**

Put the ingredients into a saucepan.  
Cook over gentle heat until the dough is thick (and beginning to stick to the saucepan.)  
Tip dough out onto a floured board or bench, and knead with flour until non sticky.

You can create interest by adding glitter or scented oil.

If stored in an airtight container, the dough can last for weeks.
