

Each pair needs a sheet of paper for recording and a die.

1. Decide who is player A and who is player B.
2. Take turns rolling the die.
3. If the number rolled is even (2, 4 or 6) player A gets one point.
4. If the number rolled is odd (1, 3, or 5) player B gets one point.
5. The first player to get 20 points wins.
